Tear here ... and bring with you to the Hiring Clinic ... or fax it to:
Ski & Snowboard School ...928.735.7745 (Do Not Mail)!

The Hiring Clinic this year is 5 & 6 December ... 8 am 'till 4 pm. **You must attend both days.** If you are unable to do so, contact us to see if we can make special arrangements. We are looking for both skiers and snowboarders. We are not as interested in your ability to ride, as we are in your personality and your ability to communicate (we can work on your riding skills if that is your concern).

The cost of the 2-day Hiring Clinic is \$65 ... payable in cash, check or credit card. The fee includes skills on how to teach, analysis of your riding technique, and tips on how to make it fun for customers.

When you arrive at Sunrise for the Clinic, be sure and bring your riding equipment, dress appropriately (you will be both indoor and outdoor). The restaurant will not be open so bring your "eats" for the day.

Also, **be sure and bring 2 of the following:** Social Security Card, Drivers License, Birth Certificate, or a current/expired Passport.

Once an instructor, our commitment days are 4 days per month. As an instructor you will receive a season pass, and access to unlimited opportunities for your own personal riding improvement.
